

AgarGame::World::World

PlatformerGame::World
::World

Map::grid

```
graph LR; A[AgarGame::World::World] --> C[Map::grid]; B[PlatformerGame::World::World] --> C;
```

The diagram illustrates a dependency or mapping relationship. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'AgarGame::World::World' and the bottom box contains 'PlatformerGame::World' followed by '::World' on a new line. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the text 'Map::grid'. A faint, light gray arrow also points from the top-left towards the gray box, but it is not as prominent as the blue ones.
